

Amendments to the Drawings

Please add the attached Replacement sheet with new Fig. 6 to the drawings of record.

Attachment: Replacement Sheet

Remarks

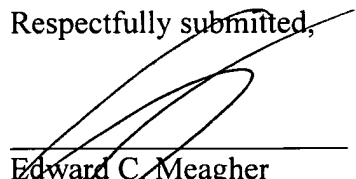

Applicant wishes to thank the Examiner for his indication of allowance of the present application and his approval of the drawing changes as indicated in the Notice of allowance. By this amendment, Applicant has submitted substitute drawings as per the Examiner's suggestion.

Applicant also wishes to bring the Examiner's attention, the fact that previously submitted references filed on March 18, 2004 were not initialed as being considered by the Examiner. Applicant respectfully asks that the Examiner indicate his consideration of these references by issuing a new Supplemental Notice of Allowance (or other office communication if proper) with respect thereto at his earliest convenience and prior to the actual issuance of the registration certificate.

In view of the foregoing, it is respectfully submitted that the application is in condition for allowance and registration. Should the Examiner desire a telephonic interview to resolve any outstanding matters, the Examiner is respectfully invited to contact the undersigned at (631) 501-5708.

Respectfully submitted,
